

## **STATEMENT OF WAIVER**

**WARNING:** Certain areas of Fire Service Training require great physical effort. It can be hazardous to persons with heart or respiratory problems. You should not participate in such training unless you are sure of your own physical capabilities.

I understand that during this training session, physical exertion may be required and it is possible that I could become sick or ill during the training (heart attack, respiratory problems, etc.). I further understand that an accident may occur during the training which could cause me injury (such as slipping and falling, bumping into objects, etc.). Acceptance of enrollment in the course constitutes an agreement to conditions stated.

It is required that complete firefighting protective clothing (in good condition) be used where required as stated in "SAFETY RULES" found in the registration booklets.

I have read the agreement and I hereby certify that I do not, to the best of my knowledge, have any permanent or temporary medical condition(s) which could be aggravated by the physical exertion required for participation in this fire training, or I will refrain from participation in such activities. I am not currently taking any form of medication for any heart condition or respiratory condition, and I have taken all steps necessary to satisfy myself that I am in good physical condition and medically fit to participate in this fire service training session.

I am not under the influence of any drug, alcohol, or other intoxicant at the time of this training session. I am aware that any evidence of drug or alcohol consumption during the training session or lunch will be grounds for my immediate dismissal from the training session. There will be no certificate issued for this infraction of the rules.

I understand the risks and have read the information above and if you consent to the above then print and sign your name on the school registration form with your class choices; Chief/Training Officers signature; work comp information and payment for classes.

We look forward to seeing you soon at Fire School
